Our advantages:

Most swimming wear manufacturers buy the fabric, receive the designs and produce according to given instructions.

Priwell & Eternal, however, are your partners in other fields, too. We are one and the same contact person for you:

- We control and steer the fabric making according to your needs
 - We have vast experience in textile printing of such fabric, conduct a constant R & D in printing and can consult you best
 - We have our own design department
- ... and last but far not least
- We are experienced in the international trade and offer the whole logistics chain.

The small, efficient and dynamic organization allows Eternal to reach on customers' requirements promptly and precisely. The close cooperation can offer our customer more interesting, profitable and professional products. We guarantee the customers a reliable partner today and tomorrow.

It is our guiding principle to meet customers' requirements and to strengthen their position on the market with a reliable, flexible and dynamic supplier. We make you win!
